Annular Cutters

No matter the material, Hougen has annular cutters to fit most any need. The HMD900 can use Hougen "12,000-Series" annular cutters for the widest range of materials and resharpenability, or for tough-to-cut materials, there is the Copperhead Carbide Cutters. Diameters are available up to 3-1/16" and depths up to 6".

DRILL CHUCK & ADAPTER

Equip your drill with a 1/2" drill chuck for drilling small diameter holes using twist drills. Part No 09377 includes Hougen drill chuck and arbor adapter.
